

# Explain It To Me

**Liz Phair**

Head underwater  
Keeps getting hotter  
Give 'em your medicine  
Fame injection Tell him to jump higher  
Tell him to run farther  
Make him measure up  
Decades longer than you Piece it together  
It's like weather  
Watch him travel  
Kiss the gravel Tell him to jump higher  
Tell him to run farther  
Make him measure up  
Ten times longer than you ever should  
You never could explain them to me  
Explain them to me
