

# For Always

## Bebe & Cece Winans

Remembering so well  
The day that I met you  
You took me in your arms  
And caused dreams to come true  
From the fear of what would be  
You came and rescued me[Chorus]  
    Lord I pray today  
    For the rest of my life  
    Live inside my heart  
    Please stay  
    For always  
    Til that timeless place  
    When we're face to face  
    And we'll embrace  
For always I look ahead and see  
    The hills that I must climb  
    Some high and some low  
    But if you lead I'll go  
    And at the end I'll see  
You were always there with me[Chorus: x 2]
