

# Revenge

## Eurythmics

She said revenge can be so sweet  
I like to take it when I can  
I need to play with the ones I hate  
I like to see them suffer It has to be dangerous  
It has to be refined  
It has to be skill full  
You need to take your time She said I take care  
Of my resources  
You never know  
When you might need them She said, "You got a snake,  
And that's a good example  
You don't even notice it until you're bitten,  
You learn to enjoy it
