

I Ran Over The Taco Bell Dog

[Adam Sandler](#)

I was drivin' around in Old Mexico.
I got lost didn't know what way to go.
I was confused, It was late and I was in the fog,
I ran over the Taco Bell dog.I felt that smoosh and I said oh Mama.
My lowrider squished that little Chihuahua.
I pray for forgiveness at a synagogue.
I ran over the Taco Bell dog.If I am caught they will lock me in a cell with 20 locks.
Unless I can pin it on Jack in The Box.
I'll be whipped then beaten and then I will be flogged.
I ran over the Taco Bell dog.His last words were yo quiero el medico.
I flattened that pup, to hell I will go.
I should have skipped driving and gone for a jog.
I ran over the Taco Bell dog.
I ran over the Taco Bell dog.
I ran over the Taco Bell dog.
