

# In My Bed (Remix) (f/ Jermaine Dupri & Da Brat)

## Dru Hill

I got this feeling and I just can't turn it loose  
That somebody's been getting next to you  
I don't want to walk around knowin' I was your fool  
'Cause being the man that I am I just can't lose my cool  
My friends keep telling me about the things that's going on babe  
But deep in my heart baby I hope that I'm wrong  
Yes I hope I'm wrong but I know it babe Somebody's sleeping in my bed my bed baby  
Somebody's takin' my place (baby)  
Somebody's sleeping in my bed baby  
And you know just what I mean, oh oh oh oh oh! I come home early expecting your warm embrace  
But something is wrong 'cause its written all over your face  
It hurt so bad when I walked through the door  
But 'cha know one damn thing baby I ain't coming back no more No no no  
Now don't try to tell me things are still the same  
'Cause when we made love I heard you call out his name, call out his name Somebody's sleeping in my bed  
tonight baby  
Somebody's takin' my place  
Somebody's sleeping in my bed baby And you know just what I mean  
Gave you money and every lil' thing that you need  
I gave you the world (yes i did) 'cause you were my girl  
But you still ran out on me oh yeah Said you're sleeping in my bed  
Messin' with my head ooh  
Tell me why, oh why oh why  
Why oh why oh why Why oh why oh why oh why oh why said you're  
Sleeping in my bed  
Messin' with my head
