

# Stars Come Out

[Zedd](#)

You light me up  
You bring the crowd  
I think about this  
Everytime the stars come out You light me up  
You chase the clouds  
I think about this  
Everytime the stars come out [x5]  
Everytime the stars come You light me out  
You bring the crowd  
I think about this  
Everytime the stars come out You light me up  
You chase the clouds  
I think about this  
Everytime the stars come out [x5]  
Everytime the stars come You light me up  
Everytime the stars come  
You bring the crowd  
Everytime the stars come out  
You light me up  
Everytime the stars come  
You chase the clouds  
Everytime the stars come out [x5]
