Everything I Wanted

thesirensfall

Written by D. Minogue, M. Taylor, S. Torch Mmm Ahh There's just somethin' 'bout ya Feels just like I've always know ya Always hangin' round ya Ever since the day I found ya I found ya You're all I need You're everything You're everything I wanted You're just another part of me You're everything I need You're everything I wanted Everything I wanted You're just another part of me You're everything I wanted You're everything I wanted Everything I wanted Mmm Ahh Somethin' that's inside ya Lifts me like no other lover Let my soul surround ya Forever let me feel the power Your power You're all I need You're everything You're everything I wanted You're everything I need You're just another part of me You're everything I wanted Everything I wanted You're everything I wanted You're just another part of me You're everything I wanted Everything I wanted Mmm Ahh Everything I wanted Mmm Ahh Somethin' that's inside ya Lifts me like no other lover Everything I wanted You're everything I wanted (All that I wanted, All that I needed) You're just another part of me You're everything I wanted Everything I wanted You're everything I wanted You're just another part of me You're everything I wanted Everything I wanted You're everything I wanted You're everything I wanted You're just another part of me Everything I wanted
