

# Can't Live Without You

## Scorpions

You stand in front of the band with all those scarves in your hands

I see you play imaginary guitars

You people shaking your heads till the end of the set

You really turn me on wherever we are

Can't live, can't live without you

Can't live, can't live without you

Can't live, can't live without you

Can't live, can't live without you

Put your hands in the air so I can see you all there

I wanna see your lights shining on

Want you to stand up and dance gonna leave you no chance

To take a breath between each single song

Can't live, can't live without you

Can't live, can't live without you

Can't live, can't live without you

Can't live, can't live without you

Stand up and shout

We're ready to rock, we're ready to roll

Stand up and shout

Are you ready, are you ready?

Come on and get it

Stand up and shout

We're ready to rock, we're ready to roll

Stand up and shout

Are you ready, are you ready?

Come on and get it

Can't live, can't live without you

Can't live, can't live without you

Can't live, can't live without you

Can't live, can't live without you

Can't live, can't live without you

Can't live, can't live without you
