

Radio #1 (ft. Justin Meldal-Johnsen)

Air

If you need some fun
Some good stereo gum
Radio #1 Brand new ears at once
Eject musical trash
Radio #1 Radio #1
Radio #1 We love
Melancholy snipers
We'll become
Flower gun users We request
Funeral of sadness
We play
The shade destroyers If you need some fun
Some good stereo gum
Radio #1 Brand new ears at once
Eject musical trash
Radio #1 Radio #1
Radio #1 Radio #1
Radio #1
Radio #1
Radio #1
Radio #1
