Colors

Jason Derulo

[Verse 1]
Oh, what a feeling
Look what we've overcome
Oh, I'm gonna wave-a-wave my flag
And count all the reasons
We are the champions
There ain't no turning, turning back[Pre-Chorus]
Saying "Oh, can't you taste the feeling, feeling"
Saying "Oh, we all together singing"
[Chorus]
Look at how far we've come
Now, now, now, now
There's beauty in our unity we've found
I'm ready, I'm ready
We still got a lil way
But look at how far we've come
Now, now, now, now
Hands up for your colors[Verse 2]
Ready the people
A new day has just begun
And I wear my colors on my back (celebrate, celebrate)
We're created equal
One race, and that's human
Can't wait to they [?] dance
[Pre-Chorus]
Saying "Oh, can't you taste the feeling, feeling"
Saying "Oh, we all together singing"[Chorus]
Look at how far we've come
Now, now, now, now (there's beauty)
There's beauty in our unity we've found
I'm ready, I'm ready
We still got a lil way
But look at how far we've come
Now, now, now, now
Hands up for your colors
One hand, two hands for your colors
Show your true colors[Bridge]
Here we go (here we go)
Let's put on a show (let's put on a show right now)

Let me see your hands up
Let me see your hands up
Here we go[Chorus]
Look at how far we've come
Now, now, now, now
There's beauty in our unity we've found
I'm ready, I'm ready
We still got a lil way
But look at how far we've come
Now, now, now, now
Hands up for your colors
There's beauty in our unity we've found
One hand, two hands for your colors
There's beauty in our unity we've found
Show your true colors[Outro]
Here we go (here we go)
Let's put on a show
Hands up for your colors
Represent your country
Raise your flag
Show your true colors
