

# Falling Slowly (The Voice Performance)

[Taylor John Williams](#)

I don't know you, but I want you  
All the more for that  
Words fall through me and always fool me  
And I can't react And games that never amount  
To more than they're meant  
Will play themselves out Take this sinking boat and point it home  
We've still got time  
Raise your hopeful voice you have a choice  
You've made it now Falling slowly, eyes that know me  
And I can't go back  
The moods that take me and erase me  
And I'm painted black Well, you have suffered enough  
And warred with yourself  
It's time that you won Take this sinking boat and point it home  
We've still got time  
Raise your hopeful voice, you have a choice  
You've made it now Falling slowly sing your melody  
I'll sing it loud
