Music Paradise

Dax Riders

Music is my paradise
Music is my paradise
Music is my paradise
Music is my paradise

Let the music play, let the music play on
Let the music play, let the music play on
Let the music play, let the music play on
Let the music play, let the music play on

Music is my paradise
Music is my paradise
Music is my paradise
Music is my paradise

I know that you can understand when
I say music is my paradise
So let the music play on play on play on play on

I know that you can understand when
I say music is my paradise
So let the music play on play on play on play on

Music is my paradise
Music is my paradise
Music is my paradise
Music is my paradise
