

We Are Electric

Brooklyn Bounce

We are electric, we are electric, mine tall free,
mine tall free,
we are ... electric, the body moments starts,
and you let yourself go into another dimension.
What you find there, will be freedom, it will be
... mine tall free. We are ... electric.
We are ... electric.

We are electric, we are electric, mine tall free,
we are electric, mine tall free,
we are electric, we are electric, we are electric,
we are electric, we are electric, we are electric, we are electric,
we are e - electric, we are electric, we are electric, we are electric,

we are electric, we are electric, we- we- are- are- e- e- lectric, we- we- are- are- e- e- lectric,
we are electric, mine tall free, electric, we are electric, we are electric- electric,
electric, we are electric,
we are electric
