Madmen and Maniacs

Kathryn Williams

No one is going to hurt you
I'm the one who will protect you
Let your walls down
I wanna be around you
I just don't want to surround youYou think everyone has got it in for you
I feel the same way
It doesn't mean it's true
Let your walls down
I wanna be around you
I just don't want to surround youI'm sinking down down in white sheets
And hot sleep
With the traffic of mad men and maniacs
I'm sinking down down in white sleep and hot sheets
With mad men and maniacs
I'm sinking down with mad men and maniacs.
