

# Head on Ice

## The Soft Pack

Poor old queen  
Fallen out on the dirt  
Poor old me  
Fallen out on my skirtI'm on my knees  
I need you now  
I'm on my knees  
Head on ice  
Head on ice  
Come on poor old you  
Pour it out on my head  
Poor old me  
On the street insteadI'm on my knees  
I need you now  
I'm on my knees  
Head on ice  
Head on iceBut I turn to face my own way  
I turn to face my own way  
Yea I turn to face my own way  
I turn to face my own way  
I'm on my knees  
I need you now  
I'm on my knees  
Head on ice
