Beautiful Music

Thi'sl

Yeah, yeah, yeah, yeah, yeah
Oh, ay, ay, ay, ay, oh, oh, oh, oh, ohEvery time I see your face
Ever since that day met
Sparks flying every where
Gotta get my chance with you, boy
You seem to be the one for me
Let's make it happen, babyNo one else can do what you can do
No one else can fill the void you fill
Only you, baby yeah
And I seem to not have control
And I don't think that I want toBaby, she don't have to know
What we been up to
And he don't have to know
What we been up to
Beautiful music, let's make beautiful musicI want you to check this summer love
Everything feels so right
Everything seems like we could work it out
Another time that the two of us that shared
So let's make it happen, baby'Cause no one else can do what you can do
No can else fill the void you fill
Only you, baby
And I seem to not have control
And I don't think that I want toBaby, she don't have to know
What we been up to
And he don't have to know
What we been up to
Beautiful music, let's make beautiful musicSo let's dance the night away
The beat of your music so right
Every time I feel the rhythm in my soul
There ain't no way you won't feel my magic, boy
Let's dance all night, yeahGimme your love, gimme your love
I know why I stay around 'cause I'm deeply in love
With the way you make me feel, do not stop
Pretty close holding my hips, kissing my lips, don't stopI love your smile, you kid me often
With your style and swag can't pay to get off you
And I know you're digging me, I'm priceless
Got my own cars, cribs and my rocks are flawlessShe don't have to know
What we been up to
And he don't have to know

What we been up to
Beautiful music, let's make beautiful musicOoh baby, she don't have to know
What we been up to
And he don't have to know
What we been up to
Beautiful music, let's make beautiful musicCan you feel it? Can you feel it?
Ay, ay, ay, ay, oh, oh, oh, oh
Ay, ay, ay, ay, oh, oh, oh, oh
Ay, ay, oh, oh, yeah, yeah, yeah
Gimme your love, gimme your love
Gimme your love, gimme your love
