

# Bienvenue

## Class Actress

This is the way that I walk when I walk to you  
This is the way that I see when I see through you  
And this is the way that I want to be wanted too  
BienvenueX3We made it this far I know that my words are clear  
Nothing is as bad as, fear, my dear  
And this is the way that we talk when we talk about, love  
BienvenueX3This is the way that we talk when we talk about, loveX3
