

# The Inevitable Factor - Alternate Vox

## Celtic Frost

I stalk alone the burried seas  
Dead and white, weak memories  
Below 0, I'm turning blue  
Why does the ice burn so hotFrozen waters, a strange land  
I know I live, as the frost bitesMy eyes are closed, but I can't sleep  
Moving forward, for sleep means death  
A white shroud covers me  
I buried myself to stay aliveTime's passing slow on my pale face  
Beneath the snow, beneath the ice
