Lost Without You

Rhett Miller

I was going through a Hell of a time
When suddenly you showed up
You gave me hope but I lost mine
But hope is not enough
I loved you so hard
It broke my heart
And you weren't like the rest
Until you left
Yea, I'm lost without you
It's all comin' to me now
Yea, I'm lost without you
All I do is look around
When will I get found?
I was livin' in Macy's house because she no longer could
Soon enough they kicked me out to tear her down for good
Well the chimney was broke, so the house filled with smoke
I can't catch my breath now she's left
Chorus
Oh Hanover, your sidewalk's mine
Chewin' on a Camel light
I was walkin' on a perilous line between too much and just right
You long narrow street, you've been there for me
You're so much longer now she's left
Chorus
I was workin' on a bottle of wine when she pulled up outside
She was glowing like an open sign on a place I've never tried
So I told her my life through the course of the night
She was not like the rest until she left
Chorus
Sitting in this parking lot reminds me of the time
When I might have had my only shot to not get left behind
Well you gave it to me, but I refused to see
It was in front of me, but it left
Yea I'm lost without you
It's all comin' to me now
Yea I'm lost without you
And all I do is look around
When will I get...
Yea I'm lost without you

A riptide's pullin' me down
Yea I'm lost without you
If you see me swimmin' around
Please don't let me drown
It's high time I got found
