Here Comes The Rain

The Mavericks

your love's a heartache
that's torn me apart
you've watched my heart break
right from the start
you took everything you wanted
and now that you're gonehere comes the rain
falling down on me
I'm showered in pain, nothing remains
of what used to behere comes the night
dark as my soul
there's no end in sight
no shining light
no love to hold
here comes the rainI must have been dreaming
I must have been blind
but I never thought you
could be so unkind
tomorrow I'll forget you
but I can't forget you nowhere comes the rain
falling down on me
I'm showered in pain, nothing remains
of what used to behere comes the night
dark as my soul
there's no end in sight
no shining light
no love to hold
here comes the rainhere comes the rain ...
