

Downloading Porn With Davo

The Moldy Peaches

Sleepin' in a van between A and B
Suckin' dick for ecstasy
Paid a 70 year old hooker to make out with me
Now the get high shack is just a memory
Downloading porn with Davo
Downloading porn with Davo
Put a latch on the door so Mama don't know
That I'm downloading porn with Davo
Tried to buy your love but I came up short
So I fucked a little waitress in exchange for a snort
My girl's got a dick, hangin' out of her shorts
Me and Eric in the bathroom with the weather report
Downloading porn with Davo
Downloading porn with Davo
Put a latch on the door so mama don't know
That I'm downloading porn with Davo
Oh baby, I know you love the good old days
Cruisin' on the Long Island Expressway
I used to be dead but now I'm gay
All I ever think about is drowning, drowning
Downloading porn with Davo
Downloading porn with Davo
Put a latch on the door so Mama don't know
That I'm downloading porn with Davo
