

Hey Joe

Charlotte Gainsbourg

Hey Joe, where you going with that gun in your hand
Hey Joe, I said where you going with that gun in your handI'm going down to shoot my old lady
I caught her messing 'round with another manI'm going down to shoot my old lady now
You know I caught her messing 'round with another man
And that ain't too coolHey Joe, I heard you shot your woman down
You shot her down now
Hey Joe, I heard you shot your lady down
You shot her down to the ground
Yes I did shot her
You know I caught her messing 'round downYes I did shot her
You know I caught my her messing 'round down
And I gave her the gun
You shot herHey Joe
Where you gonna run
Hey Joe
Where you gonna runI'm going way down south
Way down to Mexico wayI'm going way down south
Way down where I can be free
Ain't no one gonna mess
He ain't gonna put a rope meHey, Joe, you better run on down
Goodbye everybody
