

Here Without You

3 Doors Down

A hundred days have made me older
Since the last time that I saw your pretty face
A thousand lies have made me colder
And I don't think I can look at this the same
But all the miles that separate
They disappear now when I'm dreaming of your face I'm here without you baby, but you're still on my lonely
mind

I think about you baby, and I dream about you all the time
I'm here without you baby, but you're still with me in my dreams
And tonight, there's only you and me The miles just keep rolling
As the people leave their way to say, hello
I've heard this life is overrated

But I hope that it gets better as we go I'm here without you baby, but you're still on my lonely mind

I think about you baby and I dream about you all the time
I'm here without you baby, but you're still with me in my dreams
And tonight girl, there's only you and me Everything I know and anywhere I go
It gets hard but it won't take away my love
And when the last one falls, when it's all said and done

It gets hard but it won't take away my love I'm here without you baby, but you're still on my lonely mind

I think about you baby and I dream about you all the time
I'm here without you baby, but you're still with me in my dreams
And tonight girl, there's only you and me I'm all alone
