

Heaven

Robert Francis

Sold my soul to the man in the suit down the hall
You'll go far but they'll show you no mercy when you fall

All my life

I have been searching for someone like you to give in to
Kerosene eyes, brighter than halos in heaven

All of my life, all of my life

Sold my soul to the girls down each hall every night
The water is safe if I don't see what lives under there

All my life

I have been searching for someone like you to give in to
Kerosene eyes, brighter than halos in heaven

All of my life, all of the lights

All my life

I have been searching for someone like you to give in to
Kerosene eyes, brighter than halos in heaven

All of my life, all of my life
