

One Sweet Day (feat. Boyz II Men)

[Mariah Carey](#)

Sorry I never told you
All I wanted to say
Now it's too late to hold you
'Cause you've flown away
So far away Never had I imagined
Living without your smile
Feeling and knowing you hear me
It keeps me alive
Alive And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day Darling I never showed you
Assumed you'd always be there
I, I took your presence for granted
But I always cared
And I miss the love we shared And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day Although the sun will never shine the same
I'll always look to a brighter day Lord I know when I lay me down to sleep
You will always listen as I pray And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day And I know you're shining down on me from heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day Sorry I never told you
All I wanted to say
