Another Dead End Story

One Man Army

It's Been A Long Time Coming And It's Finally Come To This
You Win Some You Loose Some It's Hit Or Miss
With The Shadow Of Failure My Back Bears The Burden For It All
I'm Just Like The Rest And Part Of The ProblemWell I'm Always On The Wrong Streets
Another Dead End Story
The Cars Never They Never Stop For Me
Another Dead End Story
Biding My Time My Time To Strike
Another Dead End StoryI've Been Down For The Count But I Always Come Back For More
I'm Picking Myself Off The Floor
I've Been Marked By The Bruises Of A Bullet That Never Leaves Me Dead
So I Can Suffer The Pain Over AgainWell It's Always The Wrong Time Wrong Place
Another Dead End Story
The Right Names But The Wrong Streets
Another Dead End Story
Its The Same Old Useless News To Me
Another Dead End Story
