

A Love Like This

A Love Like This by Wintley Phipps

When you are out of my life
nothing is the same
I keep hearing your voice
calling my name
now everything is changing
since I promised to
give my life back to you
OOooo I'll never known a love like this before
and though you can be sure
I'll be faithful still you died for me
I'll never known a love like this before
I love you even more
Lord I never known a love like this before

How many times
I promised in vain
I'll be true to your word
and not bring you pain
but then I go let you down
still your love is true
it brings me back to you
OOoooo I'll never known a love like this before
when I just had myself to blame
you give to me your peace again
I'll never known a love like this before
I love you even more
Lord I've never known a love like this before

What is this on me
all I know is Lord
I love you too much now
to turn away
and I only pray
that I'll see you someday
I'll never known a love like this before
and though you can be sure

I'll be faithful still you died for me
I'll never known a love like this before
I love you even more
Lord I never known a love like this before
Lord I never known a love like this before
