

Poor Me

[Randy Newman](#)

Woke up this mornin', feeling low
Where my love once used to live
She ain't there no more Poor me
Why such bad luck, fall on me?

Poor me

I'm livin' in misery What I am gonna do
It's hard to tell

Lord, I'm not going to kill myself
But I might as well Poor me
I'm so lonely can't you see?

Poor me

I'm livin' in misery All I do the whole day long
Fall down on my knees and pray
You'll come back home Poor me
Why such bad luck, fall on me?

Poor me

I'm livin' in misery
