Shadow

Gringo Star

In the shadows everywhere you go,
Shadows
Hello, grooving kinda slow
Shadow
You keep looking for a spark to shine.
You got that rider deep inside,
You keep looking for a spark to shine all the way back on
In the shadows everywhere you go,
Shadows
Hello, grooving kinda slow
Shadows
You keep looking for a spark to shine.
You keep looking for a spark to shine all the way back on
All the way back on
I can see your eyes
I can see your smile
You had me for a while
But the moon is full
You keep looking for a spark to shine.
You got that fire deep inside,
You keep looking for a spark to shine all the way back on
All the way back on
All the way back on
