## Tiger in the Night

## **Katie Melua**

You are the tiger burning bright

Deep in the forest of my night

You are the one who keeps me strong in this worldYou sleep by the silent cooling streams

Down in the darkness of my dreamsAll of my life I never knew

You were the dream I'd see come true

You are the tiger burning brightI was the one who looked so hard, I could not see

And now I could never live

Without the love you give to meI lived like a wild and lonely soul

Lost in a dream beyond control

You are the one who brought me home down to earthFor you are the tiger burning bright

Deep in the forest of my nightAll of my life I never knew

You were the dream I'd see come true

You are the tiger burning bright
