Work It

Franky Fade

You know how to work it
WORK, WORK, WORK, WORK, WORK IT
You know how to work it
WORK, WORK, WORK, WORK, WORK IT

Iâ€™ve been trying to figure this out
Just whatâ€™s keeping me coming around
And I told me to be careful
But I kissed you, and I fucked you
I loved you on the first day that I crushed you
Wasnâ€™t supPOSED to be like this
Wasnâ€™t supPOSED to love like this
Wasnâ€™t supPOSED to be like this
Wasnâ€™t supPOSED to love
Now Iâ€™m cOMING back
Now Iâ€™m cOMING back againâ€¦
Could it be your sex-A-BI-LI-TIES
(Oh-Oh)

â€˜Cus you know how to work it
WORK, WORK, Thatâ€™s How You work it, WORK, WORK IT
You know how to work it
WORK, WORK, WORK, WORK, WORK IT

And oh, thatâ€™s not the only thing
That makes me wanna sing
That makes me wanna treat you
Like you are a queen
You keep priorities
Responsibilities and
You work for your own things
On a man, youâ€™re not depending

You know how to work it
WORK, WORK, WORK, WORK, WORK IT
You know how to work it
WORK, WORK, WORK, WORK, WORK IT
(OH)

[Music Breakâ€¦.]

[Music Breakâ€¦]

You know how to work it
WORK, WORK, WORK, WORK, WORK IT
You know how to work it
WORK, WORK, WORK, WORK, WORK IT

WORK IT
