

# Adrenaline

Gavin Rossdale

You don't feel the pain Too much is not enough  
Nobody said this stuff makes any sense  
We're hooked again The point of no return  
See, how the buildings burn  
Light up the night, such pretty sight Adrenaline keeps me in the game  
Adrenaline, you don't even feel the pain  
Wilder than your wildest dreams  
When you're going to extremes, it takes adrenaline You don't feel the pain Sail through an empty night  
It's only you and I who understand  
There is no plan Get closer to the thrill  
Only time can kill  
It's in your eyes is so alive Adrenaline keeps me in the game  
Adrenaline, you don't even feel the pain  
Wilder than your wildest dreams  
When you're going to extremes, it takes adrenaline Run through the speed of sound  
Every thing slows you down  
And all colors that surround you  
Are bleeding to the walls All the things you really need  
Just wait to find the speed  
Then you will achieve escape velocity Too much is not enough  
Nobody gave it up  
I'm not the kind to lay down and die Adrenaline keeps me in the game  
Adrenaline, you don't even feel the pain  
Wilder than your wildest dreams  
When you're going to extremes, it takes adrenaline Adrenaline, screaming out your name  
Adrenaline, you don't even feel the pain  
Wilder than your wildest dreams  
When you're going to extremes, it takes adrenaline Oh, you don't even feel pain  
Oh, you don't even feel pain  
I'm going to extremes  
I'm going to extremes Oh, you don't even feel pain  
You don't even feel pain  
I'm going to extremes  
[Incomprehensible] in the pain And I'm going to extremes  
There is nothing in between  
There is nothing in between And I'm going to extremes  
And I'm going to extremes  
There is nothing in between You don't even feel pain  
You don't even feel pain

You don't even feel pain
