

# Monuments Fail

## Affiance

Towers all around us crumbling  
They're the monuments we once built  
Finding it harder to believe in something greater  
Greater than ourselvesDig deep and you will find it in your soul  
The darkness lives within us all  
Do you even recognize yourselfIGNORING THE PATH THEY PAVED  
OUR FALLEN HEROES  
DESTROYING THEIR LIFE IN DAYS  
THAT TOOK A LIFETIME  
WHEN HEROES DIEDig deep and you will find it in your soul  
The temptation calls to us all  
I saw myself in you  
Do I even recognize myselfIGNORING THE PATH THEY PAVED  
OUR FALLEN HEROES  
DESTROYING THEIR LIFE IN DAYS  
THAT TOOK A LIFETIME  
WHEN HEROES DIEThe messenger may fall  
Their legacy must live on for all to hear  
Let it make you strong  
Because even our idols fallIGNORING THE PATH THEY PAVED  
OUR FALLEN HEROES  
DESTROYING THEIR LIFE IN DAYS  
THAT TOOK A LIFETIME  
SO LET YOUR HEROES DIE
