

# The Sweetest Taboo

Sade

If I tell you  
If I tell you now  
Will you keep on  
Will you keep on lovin' me?  
If I tell you  
If I tell you how I feel  
Will you keep bringin' out the best in me? You give me, you give me the sweetest taboo  
You give me, you're giving me the sweetest taboo  
Too good for me There's a quiet storm  
And it never felt like this before  
There's a quiet storm that is you  
There's a quiet storm  
And it never felt this hot before  
Giving me something that's taboo  
(Sometimes I think you're just too good for me) You give me the sweetest taboo  
That's why I'm in love with you  
(With you)  
You give me the sweetest taboo  
Too good for me  
(Sometimes I think you're just too good for me) I'd do anything for you, I'd stand out in the rain  
Anything you want me to do, don't let it slip away  
There's a quiet storm and it never felt like this before  
There's a quiet storm, I think it's you  
There's a quiet storm and I never felt this hot before  
Givin' me somethin' that's taboo You give me the sweetest taboo  
(You give me, you give me the)  
That's why I'm in love with you  
(With you)  
You give me, keep giving me the sweetest taboo  
Too good for me You've got the biggest heart  
Sometimes I think you're just too good for me  
Every day is Christmas, and every night is New Year's Eve  
Will you keep on loving me?  
Will you keep on, will you keep on  
Bringing out the best in me?
