

# Time

## Inxs

You got to make a sense, ya  
Everything affects you  
Turning up the pressure  
But can you keep it on?  
Well it's only time  
It's only time that makes you  
Well it's only time  
It's only time that breaks you  
Yeah, they're gonna make ya  
Pay for the crime  
And put you up in cages  
Treat you unkind  
Well it's only time  
It's only time that makes you  
Well it's only time  
It's only time that breaks you  
It's only it's only time  
It's only, yeah  
All your plans are made now  
Just like they told you  
So what becomes a Monday  
Now that Sunday's gone  
All you ever wanted  
Will come to you one day  
Just when you taste it  
You turn and walk away  
Well it's only time  
It's only time that makes you  
Yeah it's only time  
It's only time that breaks you  
Well it's only time  
It's only time that makes you  
Well it's only time  
It's only time that breaks you  
Well it's only time  
Well it's only time  
Well it's only time  
Well it's only time  
Well it's only time
