

Why Can't We Get Along

112

Is it me
Who'll never compromise
Wanna see things through my eyes
Which means it's my way Or is it you
Who's always shutting down
Never wanting to talk about
The problems we got Or is it we
To blame for all that's going down
We say that I love you but we can't work it out
It's making us not want to stay around
We need to sit down and ask ourselves Why can't we, why can't we
Why can't we get along
When we know we can't be away
From each other for long
Why can't we
Why can't we get along
When at the end of the day
We know we gotta come home Why can't we, why can't we
Why can't we get along
When we know we can't be away
From each other for long
Why can't we
Why can't we get along
When at the end of the day
We know we gotta come home Tell me, tell me, tell me
Why can't I look at you
And see your point of view
And take the backseat Is it true?
That I'm so unreasonable
And I don't know how to love
Even though God sent to me you Or is it we to blame for all that's going down
We say that I love you but we can't work it out
It's making us not want to stay around
We need to sit down and ask ourselves Why can't we, why can't we
Why can't we get along
When we know we can't be away
From each other for long
Why can't we
Why can't we get along

When at the end of the day
We know we gotta come homeWhy can't we, why can't we
Why can't we get along
When we know we can't be away
From each other for long
Why can't we
Why can't we get along
When at the end of the day
We know we gotta come homeI just can't sit and watch us
Go at each other this way
'Cause you know like I know
We're better than this
Girl you know we're better than thisGirl I've tried everything in a hopeless way
To be more than just your man
'Cause you deserve the best
Together we're the best
And we just can't throw it awayWhy can't we, why can't we
Why can't we get along
When we know we can't be away
From each other for long
Why can't we
Why can't we get along
When at the end of the day
We know we gotta come homeWhy can't we, why can't we
Why can't we get along
When we know we can't be away
From each other for long
Why can't we
Why can't we get along
When at the end of the day
We know we gotta come homeI love you and I know you love me
Oh why can't we get along
When we both know that this is homeWhy can't we, why can't we
Why can't we get along
When we know we can't be away
From each other for long
Why can't we
Why can't we get along
When at the end of the day
We know we gotta come home
