First Kiss

i5

Hey, yeahWill I close my eyes, will I hold my breath?
Will I wanna cry, will our souls connect?
I've been thinkin' about it when I go to bed
At night I wonder, wonderWill you hold my hand, will you speak of love?
Will the stars be shining in the sky above?
Will it be all that I'm dreamin' of
For so long, holdin' onOur first kiss won't be the last, our love's too deep to end that fast
And good things come to those who have to wait
I believe it's only time that keeps us from the thing divine
And when it's here you know I'm gonna say, 'Lay it on my lips'Will it taste like candy, will it be that sweet?
Will are hearts be racing to a heavenly beat?
Will the moment sweep me off my feet
And draw me under, underWill I tremble, tremble, when I beg for more?
Will it be like anything I never felt before?
Will it be down for a little more
One thing I, I know for sureOur first kiss won't be the last, our love's too deep to end that fast
And good things come to those who have to wait
I believe it's only time that keeps us from the thing divine
And when it's here you know I'm gonna say, 'Lay it on my lips'Our first kiss won't be the last, our love's too deep to end that fast
And good things come to those who have to wait
I believe it's only time that keeps us from the thing divine
And when it's here you know it's gonna stayI can picture it all, inside my head
Just how it's going to be
But a girl can dream so much
Now she wants to make it real, make it realOur first kiss won't be the last, our love's too deep to end that fast
And good things come to those who have to wait
I believe it's only time that keeps us from the thing divine
And when it's here you know I'm gonna sayOur first kiss won't be the last, our love's too deep to end that fast
And good things come to those who have to wait
I believe it's only time that keeps us from the thing divine
And when it's here you know it's gonna stayMake it real now, make it real nowOur first kiss won't be the last, our love's too deep to end that fast
And good things come to those who have to wait
I believe it's only time that keeps us from the thing divine
And when it's here you know I'm gonna sayMake it real, make it real now
Our first kiss, won't be the last
