One Way Road (Stripped Mix)

Five Times August

So Im giving what you want
But I cant get my hands on what youve got
You big teaser, playing games
But I can play them too, Im just the sameYoure moving on, I see it
But my eyes, they dont believe it
Cause inside I feel there aint nothing more real soIve been waiting and I want you to know
Your love is irreplaceable inside of my emotions
But this falling is getting old
So bye-bye love
Its a one way roadKnocked down and thrown back
Im losing my mind and my plan of attack
So reload or explode
Its getting pretty crazy cause I want you to knowIm moving on, youll see it
Then your heart will stop receiving
All the things Id do if we werent through butIve been waiting and I want you to know
Your love is irreplaceable inside of my emotions
But this falling is getting old
So bye-bye love
Its a one way roadSo anyway
What you say
It doesnt mean much to me now
What I need
Is just to be
Everything I am without you
So I guess you loseIve been waiting and I want you to know
Your love is irreplaceable inside of my emotions
But this falling is getting old
So bye-bye love
Its a one way road
Its a one way
Its a one way
Its a one way road
