

All Hail Shadow

Magna-Fi

All Hail Shadow!
Heroes rise again!
Obliterating everything that's not your friend!
Nothing can stop you now,
No ghost can bring you down!
When there's nothing left to lose,
You win!(Bow Your Heads Low,
All Hail Shadow) X2Suffer long and it will set you free!
Only through trial do we find the strength we need
It's never over, just another day
Of hope and tragedies, and everything that comes our wayDetermination of the strong,
Found the meaning that you've searched for so long!All Hail Shadow!
Heroes rise again!
Obliterating everything that's not your friend!
Nothing can stop you now,
No ghost can bring you down!
When there's nothing left to lose,
You win!(Bow Your Heads Low,
All Hail Shadow) X2Somewhere in chaos we all find ourselves
This destruction is the only tale we tell
White is black and black is white,
Right is wrong and wrong is right!Nothing ever fills this hole inside your heartDetermination of the strong,
Found the meaning that you've searched for so longAll Hail Shadow!
Heroes rise again!
Obliterating everything that's not your friend!
Nothing can stop you now,
No ghost can bring you down!
When there's nothing left to lose,
You win!(Instrumental)All Hail Shadow!
Heroes rise again!
Obliterating everything that's not your friend!
Nothing can stop you now,
No ghost can bring you down!
When there's nothing left to lose,
You win!(Bow Your Heads Low,
All Hail Shadow) X2
