Drip Drop

Cold Flamez

I don't know what it is,
Redbones drive me crazy
Beat it up, beat it up, now she hatin'
I can make her drip, drip,
I can make her drop,
Imma beat the pussy from the bottom to the top.I can make her drip, drip,
I can make her drop,
I can make her drip, drip,
I can make her drop,
I can maker her drip, drip,
I can make her drop,
Imma beat the pussy from the bottom to the top. [x2]Drip, drip, drop
I got her like Niagra.
The way I do it
You would think a nigga take Viagra
Macking the chicks with the thick abracadabra,
How you gon' get it in the room,
Bitch I'm 'bout to tag ya.
Imma do it till you sick of me,
I got her so slippery.
Hickory Dickory Dock,
Really real so I hit that spot.I'm looking for redbone baby,
Bad lil lady,
Everytime I see one,
I go a little crazy
Like gitchie-gitchie ya ya,
I could be ya dada
I make her drip drop like I just broke her wata, haha.
Feelin' like Hakuna Mata,
King of the cats when I'm in her poonana,
She drip, drip, drop it like a redbone should,
So I beat it like a, beat it like a Cold Flame would, yeah.I don't know what it is,
Redbones drive me crazy
Beat it up, beat it up, now she hatin'
I can make her drip, drip,
I can make her drop,
Imma beat the pussy from the bottom to the top.I can make her drip, drip,
I can make her drop,
I can make her drip, drip,

I can make her drop,
I can maker her drip, drip,
I can make her drop,
Imma beat the pussy from the bottom to the top. [x2]I can make her drip,
I can make her drop,
Imma hit it hard just wit a body shot.
Break it in half
With one karate chop,
I can see her looking at me while she licking lollipops.
Yeah, they call me Pizzo,
Yeah, I'm really lethal.
I don't give a fuck 'bout anotha nigga peephole.
Then she say she mixed with a little bit of Creole,
Yeah, she says she the one, the one like she is Ne-YoShe got me going crazy,
She got me goin' bonkers.
Redbone bitch,
She know I wanna hump her.
Ass so thick,
Nice lil tits,
Bomb little lips,
With a weave to her hips.
You know a bad bitch?
Nah, I mean a bad bitch.
The one that handles business,
But steady to rap (?)
Throw her 'gainst the walls,
Scratch her with my paws,
Giiirl, let the door break you off.I don't know what it is,
Redbones drive me crazy
Beat it up, beat it up, now she hatin'.
I can make her drip, drip,
I can make her drop,
Imma beat the pussy from the bottom to the top.I can make her drip, drip,
I can make her drop,
I can make her drip, drip,
I can make her drop,
I can maker her drip, drip,
I can make her drop,
Imma beat the pussy from the bottom to the top. [x2]
