

Unburn All Our Bridges

Josh Turner

I miss you so much, I don't know what to do
Can't bare the thought of my life without you
Please baby, let's unburn all our bridges Whatever it was that tore us apart
Can surely be healed with forgiving hearts
Please baby, let's unburn all our bridges Tempers were lost, emotions ran high
Feelings were wounded on the night of goodbye
We said some things we didn't mean
That wasn't you, baby, that wasn't me I still love you, I will till I die
And love is much stronger than anger or pride
Please baby, let's unburn all our bridges Tempers were lost, emotions ran high
Feelings were wounded on the night of goodbye
We said some things we didn't mean
That wasn't you, baby, that wasn't me
That wasn't you, baby, that wasn't me I still love you, I will till I die
And love is much stronger than anger or pride
Please baby, let's unburn all our bridges Please baby, let's unburn all our bridges
Please baby, let's unburn all our bridges
Please baby, let's unburn all our bridges
