

Big Lovin' Woman

Shemekia Copeland

Baptized with tequila on the day I was born
Started breaking hearts before too long
The way I make love, baby it ain't fair
Last week I sent a doctor to intensive care

~Cause I'm a big lovin' woman, that's what I was born to be
Better be a man and a half to handle me
I'm a hoodoo honey, I'm the queen of cool
Teach you things baby you don't learn in school

I'm your biggest fan of she, I'm your dream come true
Won't be much left when I'm through with you
~Cause I'm a big lovin' woman, that's what I was born to be
Better be a man and a half to handle me

A big lovin woman always treats you right
Jump back baby, hold on tight
I'm the world's best lover, pound for pound
You'll love the way I throw my weight around

My life got off to a real bad start
Got arrested young for stealing hearts
Went to town baby, didn't stay too long
Boys said that girl can do no wrong

I'm a big lovin' woman, that's what I was born to be
Better be a man and a half to handle me
I'm a big lovin' woman, that's what I was born to be
Better be a man and a half
Got to have a man and a half
You know I need a man and a half to handle me
Said I'm big lovin' woman
Said I'm a whole lotta woman
I'm a lot of woman
Said I'm a big lovin' woman
Said I'm a whole lotta woman
I'm a queen size woman
I'm a big lovin' woman
