Mr. Rainmaker

Warrant

Yeah
It could have rained for forty weeks, dear
And I never know the difference
When your life is one long downpour
You're not sure, you'll go the distance
You come along with a patch of blue sky
Inside your arms I found a place
That's warm and dry
Mister Rainmaker, don't waste your time
As I found a girl who is permanent sunshine
She is the little queen of all my dreams
Carry on and find someone else to rain on
Love never rained down on me, dear
Only heartache and problems
Now through your arms I can see clear
Oh, it's only been raining water
You came along with a patch of blue sky
Inside your arms I found a place
That's warm and dry, yeah
Mister Rainmaker, don't waste your time here
I found a girl who is permanent sunshine
She is the little queen of all my dreams
Carry on, find someone else to rain on
Mister Rainmaker, don't waste your time
As I found a girl who is permanent sunshine
She is the little queen of all my dreams
Carry on and find someone else to rain on
Oh, yeah
Mister Rainmaker
Yeah yeah yeah
