

Dragonflies

Jose Padilla & Kirsty Keatch

I know another who moved mountains
If it means happiness for you...
Does the air you breathe catch the sun like

Dragonflies?

I'll send the sunshine out for you

Does the air you breathe make you lighter than the sky?

Hear the island sings for you
Does the air you breathe catch the sun like Dragonflies?

I'll send the sunshine out for you

Does the air you breathe make you lighter than the sky?

Hear the island sings for you

Does the air you breathe catch the sun like Dragonflies?

I'll send the sunshine out for you

Does the air you breathe make you lighter than the sky?

Hear the island sings for you
