

# Cover Girl (Radio Edit)

Brooke Valentine

Hey, oh oh oh  
Hey, oh hey  
Oh yeah, oh yeah I wish I could be  
That girl in the magazine everybody sees  
She so pretty, I wish I could be  
When I close my eyes I see  
What you want me to be  
That girl [Chorus:]  
Wish I could be your cover girl  
Mascara, and lipstick  
I would be so pretty  
A little blush, not too much  
Maybe you'll notice  
That I could be your cover girl  
Or accept me for me  
Cover girl Boy, when you're alone with me  
I'm takin' good care of you  
Givin' everything you need  
I don't know if it's good enough for you  
'Cause you're always in the TV  
When you're right here next to me  
I know I'm not Halle Berry, girls from videos  
I just want to be someone you can hold  
I just want to be the one for you  
Baby, baby [Chorus:] Boy, I love you  
Just the way you are  
And if you feel the same way bout me  
Beauty is only skin deep, baby  
Boy, I don't need accesories to magnify my beauty  
Could you just love what you see [Chorus:] Mmm, I can be  
I can be  
Your cover girl  
Your cover girl  
Mascara, and my lipstick, I'd be so oh pretty  
I can be everything you need, you need  
I can be be  
For you baby  
Your cover girl
