Together

William Shatner

He says Phoenix

Pegasus

Grecian urn

Midwest turn

So much to learnTogether

TogetherShe says our souls

Are warm

Lives

Reborn

From hearts

That were torn

Before before

Performs performs Together Together they say

A breath renewed

Everyday

With you

Our arms

Are moved

We are not alone

Not aloneTogetherOur souls are warm

Lives reborn

From hearts that were torn

Before

Breath renewed

Everyday with you

Our arms, our hold

We are not aloneTogether

Together

TogetherWe're ready
