

# Get It Poppin'

## Bow Wow

[Swizz Beatz]

One, Two

One, two Bow Weezy, Swizz Beezy

Ladies n gentlemen

The ladies to the flo,

The fellas to the flo

As we go a lil something like dis

[Chorus]

C'mon let's get it popping

Let's get it jumping

Let's get it popping

Let, let's get it jumping [Repeat: x2]

[Verse 1: Bow Wow]

Listen take a few minutes to mellow out

The name Weezy, girls I want to tell about

How I have em yelling at the top of they lungs and,

Let's get it popping, let let's get it jumping

Ain't nothing to the young dog

Run y'all, charts lock

Soon as I bark

I'm amongst top

B.Wizzle, Swizzle,

Is you crazy baby I'm raining

Dem boys just drizzle

No mo trying to be Like Mike

Cause even Mike Jordan's two boys want to be Like I

All I ever hear when the girls go by is,

Why am I so fly

I don't know, but uh

[Chorus: x2]

I go by the name of Bow Weezy and,

All the other lil'homies be easy and,

I gotta do my thing to get the cheese again

You can't see me ya better believe it man

[Bow Wow]

Now I'm back for ya  
To the Swizz track for ya  
Wants to get it jumping?  
I can gets that for ya  
It's me, please wouldn't believe  
The ease that I run through them suck MC's  
B.Dub like fist to gloves  
I fit snubs and Swizz the mix it's like drugs  
So, watch the clubs get hi-yi-yi  
Feel like Cali when I drop by why  
Bodies dropping and all the mami's fainting  
Watch the candy paint change  
Gangsta ain't it?  
Ain't since I dropped the anus  
In the drop get acquainted  
Wit the hottest in entertainment

[Chorus: x2]

I go by the name of Bow Weezy and,  
All the other lil' homies be easy and,  
I gotta do my thing to get the cheese again  
You can't see me ya better believe it man

[Bow Wow]

I can't lie, I love B-o-o-t-y (why?)  
Cause I never let it walk on by  
When I see it in them Shago jeans  
Crazy how baby legs busting from the seams  
Like uh huh uh..all ova the track,  
Told her, huh, pardon me (uh) get up in the lac"  
Just sit inside the nelly and relax  
She was Mitchell and Ness  
The way she threw it back like uh  
Why must I chase the cat  
As I blaze the track  
It's near the high hat  
The baseline is mine,  
The modern-time canine phenom  
Now y'all sing it line from line, and c'mon

[Chorus: x2]

I go by the name of Bow Weezy and,  
All the other lil homies be easy and,

I gotta do my thing to make the cheese again  
You can't see me ya better believe it man

OK, one, two, one two one two [Repeat: x2]  
You just heard the sound of Bow Wizzle Swizz Beatz  
Its serious man, you a grown man dog, c'mon
