Mykonos

deely

The door slammed loud and rose up a cloud of dust on us
Footsteps follow, down through the hollow sound, torn up.
And you will go to Mykonos
With a vision of a gentle coast
And a sun to maybe dissipate
Shadows of the mess you made
How did animals in the snow tipped pines, I find
Hatching from the seed of your thin mind, all night?
And you will go to Mykonos
With a vision of a gentle coast
And a sun to maybe dissipate
Shadows of the mess you made
Brother you don't need to turn me away
I was waiting down at the ancient gate

You go
Wherever you go today
You go today
I remember how they took you down
As the winter turned the meadow brown
You go
Wherever you go today
You go today
When a-walking brother don't you forget
It ain't often that you'll ever find a friend
You go
Wherever you go today
You go today
