

# Mykonos

deely

The door slammed loud and rose up a cloud of dust on us  
Footsteps follow, down through the hollow sound, torn up.

And you will go to Mykonos

With a vision of a gentle coast

And a sun to maybe dissipate

Shadows of the mess you made

How did animals in the snow tipped pines, I find

Hatching from the seed of your thin mind, all night?

And you will go to Mykonos

With a vision of a gentle coast

And a sun to maybe dissipate

Shadows of the mess you made

Brother you don't need to turn me away

I was waiting down at the ancient gate

You go

Wherever you go today

You go today

I remember how they took you down

As the winter turned the meadow brown

You go

Wherever you go today

You go today

When a-walking brother don't you forget

It ain't often that you'll ever find a friend

You go

Wherever you go today

You go today
