Dir En Grey

Time to escape, no time to lose
There's no way to go, for me
Laugh, BANZAI by force, Can't sing to your expectation...
Identity Smash & Smash The guys with just all talk.
Dance I say, joyfully la la la. Don't wannna be a pig like you.

Identity Smile & Smile Happy & Happy Are you happy?
He's simply a food with no reason
Symbols of malice swirlin around
You know, money can buy anything
